

PLEDGE TO GIVE

I recognise that I can use part of my income to do a significant amount of good.
Since I can live well enough on a smaller income, I pledge that from 9 November 2026
and for the rest of my life or until the day I retire, I shall give at least 10% of what I earn
to whichever organisations can most effectively use it to improve the lives of others.
I make this pledge freely, openly, and sincerely.
